Façade Inspection and Safety Program: Cycle 9 Amnesty Program for Non-Compliant Owners – Cycle 8 Owners Only

For a limited time only and in the interest of public safety, the Department of Buildings is offering an Amnesty Program to owners who failed to file (No Report Filed or NRF) a Façade Report during Cycle 8. The Façade Inspection and Safety Program (FISP) Cycle 8 reporting period ended February 20, 2020, and this amnesty period will allow owners to administratively close Cycle 8 with the Cycle 9 Report.

Owners who failed to file a Façade Report during Cycle 8 are encouraged to avoid further violations and fines by filing through the Cycle 9 Amnesty Program. **The Amnesty Program does not waive late fees, civil penalties or ECB fines accrued for failure to file a report.** All late fees, civil penalties or ECB fines accrued for a failure to file during any previous cycles must be paid prior to or at the time of the filing.

Program Rules

- The Amnesty Program is only available for owners who failed to file their Cycle 8 Report.
- These owners will be allowed to file within the Cycle 9 reporting period regardless of their assigned Cycle 9 sub cycle filing period.
- The amnesty period will be effective from June through August.
- The standard filing fee is required for the submission of the Cycle 9 Façade Report.

NOTE There is no filing fee required for the administrative closure of Cycle 8.

The Amnesty Program is a safety initiative and may not be offered in future cycles.
